

It's been a busy week at school! We have had our healthy week and the children have enjoyed learning about different ways to keep fit and healthy. A big thank you must go to Miss Barrick for organising the week.

More Life

More Life came into our class this week and we learnt about how to eat healthily. Even juice contains a lot of sugar. Did you know that there are 25 teaspoons of sugar in a bottle of Coke? Did you know that flavoured water also contains sugar?

Kidzfit

Yesterday, we took part in exercises with a coach. There was a skipping competition that was won by Charlie Ann, Charlotte, Blessing and jokubus. The highlight was the hula-hooping competition where Lea, Najet and Charlie Ann were the best.

Chelsea FC

Year 5 children have been working with Chelsea FC over the last few weeks to improve their football skills. I'm not sure how the Arsenal and Fulham fans on the staff feel about this but the children have enjoyed it!

We played matches as different counties such as Argentina and Spain. We learnt how to improve our football skills and Steve, our brilliant coach, also helped us improve our striking. We also earned points for good sportsmanship.

Ofsted Update

In September a new National Curriculum is launched. The last one was written in 1988 so this will be much more up-to-date. We are trialling the new National Curriculum next term so there is lots of work going on at the moment to prepare for this new and exciting learning. The teachers work very hard to make learning interesting and engaging for the children.

Playing Out

As the clocks change and the evenings become lighter, I know that many of the older children will be playing out more. Please make sure you know where your children are and that they are safe. We have had problems in school this week where things have happened outside of school and the children have then carried these things on inside school. This then affects their learning and the teachers are spending time resolving the issues instead of teaching children.

This week, our whole school behaviour focus is: waiting your turn.

Summer Holidays

We break up on Wednesday 24th July at 2pm and will return on Wednesday 3rd September. Please remember that holidays are not allowed in term time – it is the law to have your children in school.

Attendance

5G are starting to dominate those benches again! Last week they had 99% attendance. The individual attendance winners were Charlotte (6J), Kenzie (4G), Holly (4G), Tamia (2M), Honey (2M) and Maria (1H).
