

As the weather has got colder and children come to school wearing more clothes, please make sure that every item has your child's name on it. There is a very large pile of clothes in lost property.... Do come into the front office if you would like to claim anything.

Fire Brigade visit Nursery

Last week, Nursery was lucky to have the Blue Watch from the Fire Brigade visit to talk to us about fire safety, different emergencies and how they can help us. The children had the opportunity to see and talk about all the equipment, climb onto the fire engine and even hear the sirens go off. Nursery also learnt the importance of having a smoke alarm and that is a free service to have the Blue Watch come to our homes to fit one in for 'free!'

Home fire safety visits

The Fire Service is able to fit smoke alarms into homes. Even if you already have working smoke alarms, they can still carry out a Home Fire Safety Visit, to provide fire safety advice. If anyone requires an HFSV it can be arranged in several ways:

1. Email Name, Address, Contact Number- to ryan.osborne@london-fire.gov.uk
2. Email the central contact: smokealarms@london-fire.gov.uk
3. Call the Freephone number **08000284428**

Children in Need

On Friday 17th November we will be supporting the charity Children In Need. To help raise money for disadvantaged children across the UK, children can wear something spotty and bring £1 to school.

Anti-Bullying Week

This takes place next week with the theme being 'All Different, All Equal'. Please talk to your children about their learning in school. On Friday, as well as spots for Children in Need, please wear odd socks to show you don't tolerate bullying.

School Improvement

In the last 2 weeks, I met with all of the staff of Nursery and Year 5 as we had our pupil progress meetings for these year groups. In the meetings, we discuss every single child and make sure everything possible is being done to make sure the children are making progress with their learning. In addition, two of our school governors have been and met with Mrs Gaynor (English Leader) and Mr Howland (Maths Leader) to scrutinise what the school is doing to improve children's learning in maths and English.

Parent Governor Vacancy

Unfortunately, there were no applications for parent governor so I will be writing to you again in the New Year. It is really important that parents are represented on the school's governing body as we are all here for your children. Currently we only have one parent governor (Machiel – father of Meie in Y3) and we need another two more to volunteer. Please come and speak to me or Mr Cooper if you are interested.

Attendance

Parents, please get your children to school on time. You can see from below how many times children have been late to school last week. As parents, you have a really important job to get your children to school on time!
