

We have had a really lovely week in school and there has been a very positive buzz around the building. The children at Heathmere are always so enthusiastic with their learning; it really is a pleasure to see.

Y3 CACF Workshop

3R had a great morning yesterday at the Charlie and the Chocolate Factory Workshop. Unfortunately, the lady running it was unwell and had to go home at lunchtime. We will rebook for the 3H children.

We enjoyed creating actions for our own sweet machine and working with different people. Also, it was fun to use our drama skills to make freeze-frames and show everyone.

KS1 playground

I am sure you will agree that it's looking very exciting out there at the moment! Things have slowed down as we are waiting for the wooden structures to be delivered; there has been a delay on these. It should speed up again soon and it will be open as soon as possible. Thank you for your patience in the interim period.

Children in Need

Remember to come to school on Friday dressed in spots! Children need to bring at least £1 to donate to the Children in Need charity please. We will then be having a cake sale after school on Friday to raise money. Please send in cakes on Thursday and Friday.

School Improvement

All of the teachers went to Granard Primary School after school on Tuesday with their maths books. Teachers from both schools sat together and moderated their judgments on the children's learning and their assessment levels. It is a really useful activity to be able to share practice with colleagues in other schools.

Anti-Bullying Week

Next week is National Anti-bullying Week so listen out as I am sure there will be lots of information around. It is really important that all children feel safe in school and also that all children know how to keep themselves safe, and know what to do if they feel unsafe. Please talk to your child's class teacher if you are ever worried about your child's safety.
