

It's been such a busy week in school!

Creativity in Year 3

Year 3 invited parents in this week to help them create outfits from the Stone Age. Check out the pictures on the website!

We made some shields and some clothes. We showed Miss Lewis and Mr Cooper what we made and they were very impressed! Honey 3S

Operation Christmas Child

Thank you to everyone who donated boxes and items to our Operation Christmas Child shoeboxes. We managed to fill eighteen! The children really enjoyed wrapping and packing the boxes and imagining how happy the children who receive them will be. We will let you know when we find out the destination of our boxes.

Year 6 science workshop

Last Friday Professor Sam taught us all about electricity. My favourite bit was when the monster came out and attacked the machine! Nikai 6P

Sumdog Maths

Next week we are taking part in an exciting online maths competition against other schools in Wandsworth! Children will be able to complete online games at school and at home at www.sumdog.com. By completing the games, they earn points for the school. If your child's class is taking part, they will receive their own username and password next week.

Children in Need

Thank you for all your donations to Children in Need last week. We raised £213.89 which has been passed onto the charity.

Ofsted Update

I am so very proud to announce that following our recent inspection, Heathmere Primary, for the first time ever in its history, is officially a **GOOD SCHOOL**. Attached is a copy for you and then the report will go onto the website at the end of next week. Please tell everyone! A big thank you to the staff who have worked tirelessly over the last 2 years to achieve this outcome and to the children who show us every day how much they enjoy their learning!

Art Week

Children have been doing lots of creative things for Art Week. Early Years children have been taking photos, weaving and fabric painting. Year 1 have worked together to create an Elmer the elephant mosaic and Year 2 have been marbling. Year 3 had a workshop where they designed and made clothes and shields, Year 4 have tried their hand at tie-dyeing and Year 5 have tried silk-painting. Year 6 have been printing and using wire to sculpt. It's been busy!

Disco

The discos are always a great success here at Heathmere! The children were great as always and Sean Lawless (one of our governors) makes sure the children have some good music to dance to! A big thank you to the staff for staying and to the parents who helped – it really is appreciated.

Mrs Goodings

We were all very sad to hear that Mrs Goodings will not be returning to Heathmere after her maternity leave. She has decided to move away from London to be closer to her family. We wish her all the very best for the future.

Attendance

Highest attendance: 6J with 100% (again!)
 Most punctual class: 2W (again!) and 5F
 Individual attendance winners: Basra (3S), Bushra (3K) and Isla (2S)
 Well done to Saturn for the most house points.

	Events	Clubs
Monday 24 th November	Photo orders in by today please	Y1/2 football club
