

Thank you to everyone who took part in our Bike It event on Monday. It was fantastic to see so many bikes and scooters decorated for the day! Well done to the winners: Maliha, Niketh, Maisie, Lawk, Lara and Chanie-Ann.

Y2 to London Eye

What an amazing day Y2 had on Tuesday! The children were so excited and by all accounts very well behaved on the day. A particular thank you to all the parents who joined the trip and to Mrs Lipinska for the additional organisation that goes into arranging a trip into central London.

At first, when we went on the London Eye I was scared but then it was actually fun. Burhan 2L

It was the best day in my life because we went to the London Eye. It was enormous and I was very excited. Maryam 2L

Y5 Circus Day

Yesterday was a wacky day! Everyone enjoyed the Circus Day and Phil was hilariously silly. My favourite part of the day was when we spun the plate because it was tremendously challenging! Nishat 5D

Y5 Speed Watch

On Tuesday, we went out with the Police to talk about road safety. We used speed guns to check how many miles per hour cars were travelling. I think all of us in our bright jackets scared the drivers as we didn't catch anyone speeding! Alisha and Simra 5B

School Improvement

This week in school, I have been doing a lot of reflecting on what is working well and what needs improving in the school. I am really impressed by some of the maths teaching that is going on in school at the moment; this is something that we have worked really hard on over the past couple of years. The children also continue to show excellent attitudes to learning. We are working hard to improve the depth and challenge of learning through reading and language, problem solving and reasoning.

Hyacinth Road Parking

As many parents are aware, I am trying to improve the safety of the parking at the top of Hyacinth Road, where the back entrance to the school is. Please can I respectfully remind all parents that they should only park in the bays provided. Several cars are simply stopping and blocking the road which makes it very unsafe. If parking is tricky, please consider using the side entrance on Alton Road.

Training Day

Tuesday 2nd January will be a training day. We will see the children back at school on Wednesday 3rd January.
