

We are looking forward to welcoming you all to parents' evening on Tuesday. Please remember that school closes at 2pm on Tuesday so we can get started. If you have not yet made an appointment then please see your child's teacher.

Football Update

The football team had an extremely tough day this Thursday. They went to a gruelling Wandsworth tournament where they played against 7 other schools throughout the day. This was followed by the usual 3 games in our Putney league, an evening in which we went undefeated! Well done to all of our players that were involved!

FoH class reps

Friends of Heathmere would like each class to have a parent class representative. Their role is to help support FOH with fundraising for each class, such as organising a class cake sale to raise money for Golden Time games. If you would like to be a 'class rep' please write your name and child's class on a piece of paper and hand it in to Mr Cooper or your child's teacher.

Beavers and Cubs

I hope that lots of boys and girls in Y2, Y3, Y4 and Y5 are going to come back to school at 5pm this evening to join in the taster session for Beavers and Cubs.

School Improvement

Today we welcomed back Mrs Meyrick for the day, in preparation for her returning to school full time after half term. Today she is spending the day looking at how to improve the assessment of reading across the school. Some of you may know that National Curriculum levels no longer exist so we need to review how we assess reading to show progress and identify any gaps in children's learning.

Flu vaccinations

Flu vaccinations are taking place on Thursday for Years 1 and 2. If you have not returned your consent form then please hand this to the school office or your child's teacher this week.

The police visit EYFS

The children in The Early Years enjoyed another special visitor this week. Some local Police officers came in and talked to the children about what they do and how they help us. They also got to try on their uniform and sit in the van.

Collecting Children

If someone different is collecting your children, please let the school know. We will not let your child go with someone we don't know without parental permission. Please can parents also remind all adults collecting their children that everyone is expected to use polite language in school – swearing and bad language on the school playground is never acceptable.

Attendance

Highest attendance: 6B and 5B with 99%

Most punctual classes: 1A and 6J

Whole school attendance last week: 96.0% - great!

Individual attendance winner: Maria (3R)
