

Respect Resilience High Expectations

Thank you to everyone who attended parents evening on Tuesday. There were lots of positive comments made about your children's learning so keep it up!

Disco

There was great excitement around school yesterday as we prepared for the disco. I am sure the children will agree that it was a great success. And thank you to the FoH ladies who organised it – you did a great job!

Holiday Dance Club

A reminder that there is a dance club on Thursday and Friday of haf term 11am – 2pm that Roehampton R.O.C.K.S. is running . Please sign up in the office or speak to Orode if you would like your child to attend.

Visit to APA

On Monday, we went to APA to talk about how to make our area a better place. We had snacks and played games. It was really fun and exciting.

The Big Draw

Author and illustrator Paul Geraghty came in to school this week to support an event called 'The Big Draw'. The children heard how Paul writes his stories - he also drew three pictures which will be on display soon! There's been lots of art and drawing in classes this week, it's great to see the children being so creative.

'I liked how he spoke in lots of different voices. I loved the drawings and how he made up funny names for the animals in his books
Olivia. 4G

Well done to the girls' football team who represented the school well on Tuesday and to the cross country team for your efforts on Saturday!

Friday 6 th November	Y5/6 swimming	3.30pm – 4.30pm Y3/4/5/6 dance

23rd October 2015

School Improvement

On Monday, I met with the Children, Families and Community Committee. This is one of the three committees that the Governors run. We discussed several things including what we are doing to improve attendance and how we are continuing to develop as a Rights Respecting School.

Building Improvements

I was somewhat ahead of the game a few weeks ago when I told you about the building developments! However things really will start to happen over the half term. We have one team who are replacing the roof over Nursery and Reception and another team who are replacing the windows across Y1 and Y2. This work will still be going on when we come back in November so please bear with us. It will be worth it!

Place2Be

Kate Thomas reports that Place2Talk continues to be very popular with the children throughout the school. The children talk about the things that are important to them and share their feelings with Kate in a quiet space over the lunch time.

Attendance

Highest attendance: 6J with 100%. Well done!
Most punctual classes: 1A and 6J – again!
Whole school attendance last week: 95.3%
Individual attendance winner: Adam (1A)
House point winner: Neptune

And finally....

I hope that you all have a relaxing half term. The children have been working very hard and so are due a well-earned rest! Please still make sure you read every day!
