

I've popped into all classes this week and seen some great learning going on from 6P learning their colours in Spanish to Nursery looking after each other in their doctors' surgery!

Behaviour

On Wednesday, we had an assembly with all children in Y1 – Y6 about their behaviour. The children here know that their learning is the most important thing about school. In order for children to be successful in their learning, they have to show good behaviour. We expect the children at Heathmere to behave well at all times. There are lots of children here who ALWAYS show good learning behaviour. This is where we want all children to be. Children receive lots of rewards for their good learning so please talk to them about this. If your children are not showing their very best learning behaviour, we will let you know so that you can talk to your children at home. Thank you for your continued support.

Cross Country

This week, Heathmere attended the Wandsworth schools cross country event in Tooting. 12 of our Year 5 and 6 children contributed a massive effort to do our school proud in challenging wet weather conditions. We even managed to achieve a couple of top 10 finishes at an event where there were over 180 participants! Well done to all who were involved! Thank you to Mr Lawrence, Mrs White and Mrs Kiernan for taking the children who were all very well behaved and a credit to the school.

Eid

What a fantastic celebration we held in school on Monday to celebrate Eid! Thank you to all the parents who contributed food and helped serve – it was all delicious! And thank you to Miss White who organised the event with help from Mrs Agha and Miss Moore.

Parents' Evening

Parents Evening is Tuesday 21st October. School finishes at 2pm on that day. After school club will take place as usual but there will be no KS2 dance club.

Ofsted Update

This week the governors got together to talk about our long term vision for the future of Heathmere. We talked about wanting our school to have the highest possible aspirations for our children and for all children to achieve the best that they can. The governing body have come up with a plan of how they are going to support the school with this.

Our parent governors are:

Karen Abbott – Chanie-Ann's mum (3S)

Gona Amin – Honey's mum (3S)

Uzma Butt – Iman's mum (5F)

They are helping me by asking all parents to log on and complete ParentView.

Roehampton Roadshow

Created by and for Roehampton residents

You are invited to join us for the Roehampton Radio Roadshow on Wednesday 15 October, 4-6pm.

A line-up of local talent will be engaging with the community at Roehampton Library and will offer residents the opportunity to get involved with discussions, debates and music selections for Roehampton Radio.

Councillor Ravi Govindia will be opening a photography exhibition as part of the roadshow, showcasing images taken by residents living on the Roehampton Estate.

Venue: Roehampton Library

Date: Wednesday 15 October 2014
