## Parents in School

It has been a real pleasure to welcome parents into school this week. We had a really good turnout in many classes for Open Hour on Thursday. We also had lots of Reception parents at the Maths Workshop on Wednesday. Thank you for your continued support. I hope to see all of you at Parents' Evening on Tuesday.

## School Improvement

This week, we have been looking at our curriculum planning for the next half term. As you know, we now have specialist music and art teachers in school and the class teachers are working hard to make the topic curriculum more innovative and engaging for the children. This is 'work in progress' and something we are spending a lot of time on this year.

## MET Police Talk to Parents

On Thursday next week 17<sup>th</sup> October at 3.30pm, we have some senior representatives from the Met Police coming to talk to parents about the vulnerability of children around gangs and knife crime. This is such an important issue for children growing up in London at the moment and I really hope that lots of you are able to attend. This meeting is for adults only and I will provide a space for school-aged children to be looked after if you wish to attend. Parents are welcome to bring other family members and former parents if they wish.

Please come and speak to me on the gate if you have any queries.

## Chelsea FC

Chelsea Football Club has invited us to take part in their poetry competition to celebrate Black History Month. The challenge is to create a poem/rap/song (no longer than 5 verses) that you are happy to perform. KS2 will have an assembly on Monday to find out more. Children in KS2 may join Miss Durston in 4HD during lunch times next week to work on their entries. **Entries must be handed to Miss Durston by Friday 18th October.**

## Attendance
