

We have our first parents evening of the year taking place on Tuesday. If you haven't already, please sign up with your child's teacher for an appointment.

Police visit to Nursery

We were excited to have PC Andrew come and visit the Nursery today. He showed us lots of gadgets and even let us try on some of the uniform. We had a good discussion on keeping safe and when we should call in an emergency. The best part was sitting in the police van. We even had a chance to turn the sirens on. What a treat!

Y4 Science Workshop

On Monday, Year 4 took part in a workshop on Sound as part of the 'Stunning Start' to their science topic.

It was so much fun doing the experiments to see how sound travels. Issa 4R

What I found interesting was all the science vocabulary we learnt to talk about sound - I know that sounds can have different volume and pitch. Somia 4R

We made telephones using string and cups and I could hear my partner. Aliyah 4R

Y1 trip to the Gudwara

On Thursday we visited the Gudwara. I loved learning about the Gudwara. Did you know that the word 'Guru' means teacher? Hauwa 1H

School Improvement

This week, Mr Cooper and Mrs Gaynor have been looking at literacy books across the school to check the children are working as well as they can. They found that children are making good progress and there is a good range of learning activities present. The newly introduced writing checklists also seem to be working well.

Punctuality

Our School Council have launched a punctuality campaign called 'Cross the Line at Ten to Nine'. Shaila has designed a wonderful poster which is on the back of this letter. Please make sure your child gets to school at this time - this gives them time to get to their classrooms and be ready for learning at 9am. Watch out for another poster next week!

Macmillan Cake Sale

Thank you to everyone who contributed cakes to the Macmillan cake sale. We raised £141.90 which has all been passed onto the charity.
