

There have been so many positive things happen at Heathmere this week! Thank you to so many parents who turned up for parents evening to talk about your children’s learning. Feedback was generally really positive.

## Football Champions!

Our team have gone through the season unbeaten and ended as Putney Schools Champions! This is such a great achievement and one that we are so proud of. Well done to Joel, Blake, Simra, Qassem, Seedy, Oliver, Jaylen, Zac, Pawel, Campbell. There will be an opportunity to play in a Wandsworth tournament later in the year to compete against other winning schools. Well done to Matt for his coaching skills and for his dedication in running the team.

## Cross Country

More sporting congratulations are required for Joel, who has been selected for the London Youth Games Wandsworth cross country squad. He has been invited to represent Wandsworth at this pan-London event. And then well done to those who competed in the Putney Schools cross country last Saturday. The team consisted of Natalia, Tia, Seanna, Lara, Kamali, Antoni, Simra, Iva and Tyiann. Particular congratulations to Antoni who was the first Heathmere pupil to finish.

## EYFS/KS1 Library Opening

Joseph Coelho (a poet who grew up in Roehampton) is coming to open the new Library on Wednesday. Look out for the separate letter as parents are invited. Thank you to the group of parents who have helped out by unpacking and arranging all of the books. And thank you to Mr Cooper for making this happen!

## School Improvement

We have been putting lots of thought in recently about how to support children with their social and emotional needs. We already have lots of things to support this in school, including our PATHS lessons which teaches the children about feelings. We are exploring lots of different options around how to improve our provision in this area for the future.

## Y5 trip to Junior Citizen

On Friday, the Y5 children attended our annual visit to the Junior Citizen event, hosted by Southfields Academy. The children learnt about a range of safety issues including road safety, online safety, personal safety and fire safety. They had a great time!
