

It has been a really busy week in school and it already feels like there is lots of excitement building for the children about their learning!

Y5 to Holly Lodge

We visited Holly Lodge on Wednesday. When we went to Victorian school it was pretty scary-they had lots of punishments! Perry 5D

Y4 Roman Workshop

Yesterday, we had a workshop on the Romans. They showed us what the Romans wore, what they ate and how they fought as gladiators. I was excited about how they trained us to be gladiators.

Pawel 4R

Y1 Human Body Workshop

I liked smelling the different things in the bottles.
Vuk 1M
My favourite part was when we had to feel things in the feely bag. Layla 1M

Football League

The children in Y5 and Y6 had their first football league fixtures last night and won both so congratulations to all of the players. And thank you to Matt for getting the team together so quickly.

School Improvement

This week, target setting meetings have taken place for the children in Y2 and Y6. This process allowed the staff to look at the end of year projections for the children and to put individual and class plans into place to ensure each child makes the most amount of progress possible over the year. Moving forward, we then review these projections as a team every 6 weeks (or every 4 weeks in Y6) to ensure the children remain on track with their learning potential.

Project Tearose

Heathmere School is involved with Project Tearose. This means that should there be a domestic incident involving your child's immediate family, school will be informed by the Police. There is no requirement for parents to agree to this information sharing. If this happens, we will contact parents to let you know we have received this information.

22 Sept – school closed

Please note that school will be closed on Friday 22nd September for a Teacher Training Day. The teachers are going to Sacred Heart Roehampton to join them to be trained in a project called Promoting Alternative Thinking Strategies (PATHS). I will update you with further information once we have received the training.

Attendance

Well done to those children who have already been to school every day and on time. Children do not like missing school and they do not like being late so please can we all work together to get the children to school every day on time. I will start the weekly attendance information in the next newsletter.

	Events	Clubs
Monday 18 th September	3.30pm Y3 Parent Information Meeting	Y1/2/3 Dodgeball – Tim Y4/5/6 Ninja Fit! – Mr Meghie
