

We are now full swing into the new school year and the children are busy learning. The building work continues to take place. We are now looking at a mid-November completion.

## 2014-5 Football

Our football team took part in their first football league fixtures last Thursday and they didn't disappoint! We had a mixture of Y5/6 children, some of whom were representing us for the first time and were very impressive. We won our first fixture 4-1, drew our second 1-1 and won our last game 1-0 with a brilliant strike by newly elected house captain Shane Brown. Yesterday we won 1-0, 2-0 and drew 1-1 to keep up our unbeaten record!

## Y2 trip to Pizza Express

*On Tuesday we went on a bus to Pizza Express in Putney. We made a pizza and it was fun. At the end we ate the pizza and it was yummy! 2W*

## A visit to see the builders

The children in Reception have been learning about how to keep themselves safe in their learning environment. They had the opportunity to meet Kevin one of the builders who talked to them about the building work and have a closer look at what the builders are doing.

## Eid

We will be celebrating Eid in school on Monday 6<sup>th</sup> October at 3.30pm. All families are invited to join us. Please bring any donations of food – I'm sure it will be a fantastic celebration!

## Ofsted Update

This week, there have been meetings with all of the Y1, Y3 and Y4 staff to set the children's end of year targets. We talk about the progress of every child and what we are going to put into place to make sure that they achieve their full potential. We did the same thing last week for Y2, Y5 and Y6. Next week we will talk to the Nursery and Reception staff.

## Parent View

Did you know that as parents you have the right to share your views about the school with Ofsted? If you go to [www.parentview.ofsted.gov.uk](http://www.parentview.ofsted.gov.uk) you will be able to give your views. It really helps the school to have as many responses as possible. If you did it last year, please respond again as we currently only have one response for this year! Once we get 10 responses, we can see the results. It will tell us what we are doing well and what we need to improve on.

## Place 2 Be

Kate Thomas reports a busy start to the year of the very popular Place2Talk service. Place2Talk is available to children from year 1 to year 6. The children choose to come individually or in groups. If you would like more information contact Kate via your child's class teacher or the school office. Kate works Tuesday, Wednesday or Thursday and can also be contacted by email [kate.thomas@place2be.org.uk](mailto:kate.thomas@place2be.org.uk) Place2Be also has a parent counsellor service run by Lily Stevanovic available on Friday mornings by appointment. If you are interested or would like more information then please get in touch with Kate.
