

The trips and events in school are in full swing! Please can I express my thanks to parents who attend these trips as we really appreciate your help.

Y1 Natural History Museum

My favourite part of the trip was the whale and comparing my height to the height of the whale, it was so big and long! Mostafa 1M

Y6 Viking Day

It was an interesting experience learning about if the Vikings did more good things or bad things. I thought that they were evil because they took over lots of countries and pillaged towns Adam 6B

It was totally epic, we were taught about which weapons the Vikings used in battles and we had a really fun game of spear wrestling! Alvin 6B

Going for Gold Bowling

*Bowling was lots of fun and I'm happy I finished 2nd.
Visal Y5*

I'm so glad I was able to go bowling by using all of my Golds from Going for Gold. Ruby Y3

Reading Patron

We had a great day with Elli in school on Monday – check out the back of the newsletter for her contribution!

School Improvement

The target setting meetings have continued so all children now in Y1 up to Y6 have been set their end of year targets for reading, writing and maths. Teachers have also been looking at the marking of children's books to make sure that the Next Steps are challenging the children's learning suitably.

Parking

Firstly, can I politely please request that parents never park opposite the front entrance of the school in Arnewood Drive. This is a residential space and should not be used for stopping or turning around. I have also noticed the increase in cars dropping off in Hyacinth Road. This is becoming a little unsafe. Can I please request that if possible, especially if you have older children, you drop them off at the start of Hyacinth Road and avoid coming right up to the entrance. Thank you for your support with this.
